

Republic of the Philippines  
Laguna State Polytechnic University  
Province of Laguna

COLLEGE OF COMPUTER STUDIES

PROPOSAL DEFENSE

Date: April 29, 2025

Time: 11:30 - 1 PM

Name of Proponents: Rick John P. Albaño, Vince Allen D. Cristal, Eugene Paul S. Marquez

Research Title: AlumniPath: A Unified Web-based Alumni Tracing and Placement System with Analytics for Laguna State Polytechnic University

Consolidated Comments / Suggestions / Recommendation:

1. How does your system handle scalability?
2. What data collection method will be implemented to in the system to ensure up-to-date alumni information?
  1. self-service update?
  2. automated reminders?
  3. periodic email or sms prompts?
3. Are there specific partners w/ industries ~~into~~ or job board?
4. How does your system encourage continuous alumni engagement beyond graduation?
5. Did you benchmark or review any existing alumni system from other LSPN campuses? If so, what were ~~your~~ the takeaways?

Comments / Suggestions

6. In project context, separate discussion of problems w/ alumni records management and job placement facilitated by LSPN and its partner industries/agencies
